Intent: Brinsworth Howarth Primary School is committed to providing an education that enables all children to make progress so that they achieve their best, become confident individuals living fulfilling lives and make a successful transition into adulthood. We believe in the earliest possible intervention to support our children and families. We always start with Quality First Teaching, for all children. If support is required beyond this, a graduated response is at the heart of our whole school 'steps to success' practice. We continually assess, plan, implement and review our approach to teaching and learning collaboratively with parents. We work hard to ensure staff have the training needed to support any additional needs and use expert support from outside agencies where needed.

Impact: As a result, at Brinsworth Howarth:

- Children feel happy, safe and valued.
- Behaviour is good and diversity is celebrated.
- Children demonstrate high levels of engagement in activities, accessing a curriculum that is rich in creativity.
- We have supportive and trained staff who make appropriate provision and adaptation for the child's individual needs.
- Children with SEND make good progress from their starting points due to Quality First Teaching, an adaptive approach in the classroom and the use of resources and intervention to support learning.
- On leaving our school children with SEND have developed good independence and life skills. Pupils will make secure transitions between classes and educational providers e.g. EYFS or Secondary School.
