Part A: Pupil premium strategy plan

Statement of intent

Brinsworth Howarth is committed to enabling all pupils to achieve to the best of their abilities. We intend to invest our pupil premium grant in better learning and will, therefore, allocate money to raise the *aspirations* and *achievement* of our children from more disadvantaged backgrounds. However, we also recognise that not all children who receive free school meals will be socially disadvantaged and we also recognise that not all children that are disadvantaged have free school meals. We reserve the right to allocate Pupil Premium funding to support any child the school has identified as being socially disadvantaged.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Many of our pupil premium children do not experience visits or trips due to deprivation. This impacts on their vocabulary acquisition and knowledge of the world.
2	Our pupil premium children do not make as rapid progress in their reading as non-pupil premium children.
3	The attendance of our pupil premium children is lower than that of the whole school.
4	The mental health of our pupils is important to us and requires support.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
For pupil premium children to enjoy the wide range of enrichment activities we have to offer at Brinsworth Howarth Primary School.	<ul style="list-style-type: none">• A wide-range of extra-curricular activities will be offered to support our school connection to Children's University. Children can earn bonuses through attending the clubs.• Pupil premium children who chose not to join a club in the autumn term

	<p>will be prioritised in the spring and summer terms.</p> <ul style="list-style-type: none"> • Discounts in line with our charging policy will continue to apply to pupil premium families for all enrichment opportunities to include visits, residentials, trips, music lessons etc. • Extended School Partnership Officer – John Bell to organise and deliver after school clubs and holiday clubs.
<p>For attendance of our PP children to be in line or above non-PP children. For attendance to be 'good' compared to national attendance (96%)</p>	<ul style="list-style-type: none"> • Attendance officer will promptly call families who have an absent child without reason. • Early Help referral to be made if concerns around historic attendance. • Fines discussed with Governors for non-attendance. • Use of attendance reward system in place through school. Whole class extra playtimes, film afternoons, popcorn, hot chocolate etc.
<p>Pupil premium children will make good or better progress in reading – this will help vocabulary acquisition.</p>	<ul style="list-style-type: none"> • PP children will develop a love of reading • All reading will be carried out at school in KS2 and for our vulnerable groups of children in KS1 to ensure that reading is supported daily. • Book spine is fully in place through school for children to access a variety of lovely books. • Since September 2022, we now use a new Phonics scheme called Sounds Write. The Senior Leadership Team, all Foundation Stage 2 through to Year 3 Class Teachers have received training in delivering this programme. • TLR to support all children in making good and better progress in Reading. • School Library service accessed to develop a love of reading through school
<p>For all children including PP to receive support for their mental health.</p>	<ul style="list-style-type: none"> • All staff to receive refresher training in Attachment • All staff to receive refresher training in Autism • All staff to receive refresher training in 'Trauma Informed Approach'

	<ul style="list-style-type: none"> X1 TA receives ongoing training in ELSA

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £17,140

Activity	Evidence that supports this approach	Challenge number(s) addressed
To ensure that the children in Year 1 pass the Phonics Screening	Children to receive a bespoke phonics curriculum which has a consistent approach.	2
To ensure that the children in Year 2 pass the Phonics Screening retake	Children to receive a bespoke phonics curriculum which has a consistent approach.	2
By the end of KS2, children to be in line or above the national average for reading	Our children need more than just being listened to read. School which has a consistent approach achieve good results.	2

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £5,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Reading interventions to take place regularly throughout the school day, including breaks.	Higher attainment in reading indicates better life chances. Reading a wide variety of genres will support vocabulary acquisition.	2,3

1:1 pupil progress meeting with teachers and the head teacher & SENDCO.	There is a collected responsibility for PP children's progress in order to make accelerated progress. Staff will know who they are, their barriers to learning and any strategies needed to meet their educational and emotional needs.	4
SENDCO and staff to attend all SEN reviews.	Quality time given for SENDCO and class teachers to meet and discuss the needs of the child with parents/carers present.	4
ELSA support groups to be offered to pupils struggling with mental health	We wish for this to continue as children feel safe and valued during the sessions.	4

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £20,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Exciting visits, trips and residential (Y6) will be planned to enhance the curriculum.	Children who are exposed to these have an enhanced knowledge and understanding of the world. When finance isn't a factor for families, they almost always want their children to experience these.	1
Peripatetic music teaching – Y3 and Y4	Children to follow their hobbies and passions without finance being a barrier will be able to foster a love of music raising their self-esteem.	1
Engaging with families	Using emails, twitter and school website to inform parents of their child's success in school.	4

Total budgeted cost: £42,140
